## NO MORE

[WWW.IDLE.NOMORE.CA](http://WWW.IDLE.NOMORE.CA)

Idle No More calls on all people to join in a revolution which honors and fulfills Indigenous sovereignty which protects the land and water. Colonization continues through attacks to Indigenous rights and damage to the land and water. We must repair these violations, live the spirit and intent of the treaty relationship, work towards justice in action, and **protect Mother Earth.**

Developing  
tar sands

=

Game over for  
the climate.

Forward on Climate...  
No Keystone XL.

**DEFENDERS**  
of the **LAND**

A woman with grey hair, wearing a purple and orange sari, is smiling and holding a stalk of grain in her right hand. She is standing in a field of golden-brown grain. The background shows trees and a clear sky.

**“We must end Monsanto’s  
colonization, it’s enslavement  
of famers—for whom the  
only escape from the  
Monsanto treadmill  
is suicide.”**

Nazareth, Palestine

WHAT DO WE WANT?!

RESPECTFUL DISCOURSE.

WHEN DO WE WANT IT?!

NOW WOULD BE  
AGREEABLE TO ME,  
BUT I AM INTERESTED  
IN YOUR OPINION.
